

## 13. Meetings, Coordination, and Correspondence

Over the last few months, numerous meetings, on and off site, as well as extensive coordination with parties, including localities having a vested interest in the project, have been performed during the engineering assessment phase. The project management team has conferred with all interested parties and impacted neighborhoods. Among others, the following individuals were involved:

Louis Feagans – INDOT  
David Butts – INDOT  
Steve Wuertz – INDOT ITS Section  
Shelly Gottschalk – INDOT  
Gary Mroczka – INDOT Division of Production  
Merril Dougherty – INDOT Hydraulics Unit, Division of Production  
Dennis Lee – Federal Highway Administration (FHWA)  
Kevan McClure – INDOT

For minutes of the relevant meetings held concerning this project, see Appendix I.
